Affordable Closets Plus Showcases Work While Helping Charities

***Frenchtown, NJ, business unveils custom closets, cabinetry and living spaces
in not one, but three, Premiere Designer Showhouses***

Frenchtown, NJ -- September 2, 2010 -- **Affordable Closets Plus**, with offices in Frenchtown, NJ, and Bangor, PA, enjoyed a presence at not one, but three, premiere designer showhouses that raised funds for area hospitals. Held each spring, designer showhouses are popular fundraising events that feature a spacious home being completely redecorated by some of the top interior designers and landscape architects in the tri-state area -- and then opened to the public for tours.

“Competition to display designs and services at these events is fierce, and it is difficult to get invited to present at one show each spring, much less three,” says Angel Martin, co-owner of **Affordable Closets Plus**, which has been operating since 1993. “When we were asked to showcase our custom design work at three events in one month, we were honored – and knew we would be incredibly busy! Our creative storage solutions of custom closets and cabinetry are what truly set us apart.”

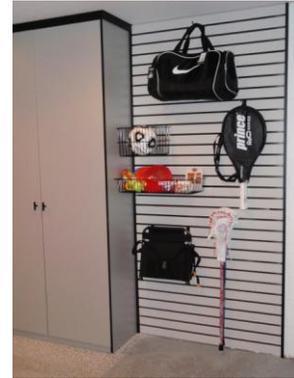

Mansion in May Designer Showhouse and Gardens, Harding Township, NJ

From May 1st - 31st, more than 20,000 visitors attended the 15th annual Mansion in May, sponsored by the Women’s Association of Morristown Memorial Hospital. Visitors marveled at how a 21-room stone manor was transformed through the efforts of more than 50 interior designers, architects and landscapers. **Affordable Closets Plus** designed a tranquil Gentleman’s Quarters, or “men’s sanctuary,” off of the master bedroom boasting an organized dressing area with custom-designed wardrobe compartments. The event raised funds for the expansion of the Emergency Department at Morristown Memorial Hospital.

Bucks County Designer House & Gardens, Furlong, PA

The custom cabinetry and unique design skills of **Affordable Closets Plus** transformed a garage space on a 103-acre equestrian estate into “Storage with Class” at the Bucks County Designer House & Gardens, sponsored by the Village Improvement Association (VIA) of Doylestown from May 2nd - 30th. More than 8,000 people toured the estate and raised funds to support the Doylestown Hospital’s new Emergency Department and other community initiatives. With a membership of more than 400 women, the VIA is the only women’s club in the country to own and operate a community hospital.

Designer Showhouse of New Jersey, Saddle River, NJ
