Affordable Closets Plus To Debut “His & Hers Treasure Trove” Design

Area business will unveil another unique walk-in closet/dressing room at Mansion in May

Frenchtown, NJ – April 2, 2012 – **Affordable Closets Plus**, with offices in Frenchtown, NJ, and Bangor, PA, will once again be among the premier designers and landscapers featured at this year’s **Mansion in May Designer Showhouse and Gardens** in Morristown, NJ. The more than 20,000 visitors expected to attend the event May 1-31, 2012, will be treated to a tour of the company’s luxurious and stunning “*Treasure Trove*” closet space, featuring secret, hidden areas for storing personal articles and treasures.

Angel Martin, who owns Affordable Closets Plus with her husband, DeVoe Martin, describes their upcoming Mansion in May space as “a luxurious his & hers dressing room/closet in which men and women can begin each day amidst a perfect blend of security, practicality and luxury.” Bloomingdales will “dress and wardrobe” the closet with an array of spring/summer clothes, shoes and accessories -- certain to add even more style to what Martin feels is one of her most beautiful designs created to date.

The 12’ x 21’ space features coffered ceiling, special moldings and lighting, brass accents and peaceful blue hues. The “His” side provides ample storage for men’s business and casual apparel and accessories. The “Hers” side provides the functional storage needed for any woman’s lifestyle, including sections for formal wear, business and casual attire. There is also ample storage for accessories, such as jewelry, shoes, handbags and more. A drawer unit doubles as a beautiful piece of furniture for additional storage for lingerie and seasonal items. The secret hidden storage areas throughout add to the space’s personality and functionality.
